

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than 60 years combined experience with effectively developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are dedicated to providing new design concepts and top quality so as to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They enjoy offering items which energize both their dealers and their partners and offer production gains to their clients.

The TREK team of employees likes new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements combined with their understanding of cleaning applications, along with owners' strong desire to significantly reduce expense through productivity gains.

The employees at TREK and their dealer-partners are strongly committed to having both parts and technical support obtainable when it is needed. Their high service dedication is one of the core values in their customer service. Keeping their customers' cleaning machinery ready and working on a daily basis is top priority. The company's top of the line technology delivers reliable equipment which eventually reduces your cost of cleaning. The product, the price and the service all work as one to make them an industry leader.
